

Fish and chips played a part in the D-Day Landings. British soldiers identified each other by crying out "fish" and waiting for the response of "chips".

The word batter comes from the French word battre, which means to beat - in reference to whisking the flour and water together.

FAMILY OWNED & OPERATED SINCE 1926

ONE SHILLING

On behalf of our family, let us welcome you to the legendary Colmans of South Shields. The UK's favourite Fish and Chip Restaurant. We have been serving our famous Fish and Chips and Seafoods for over four generations and have built our reputation by not compromising on quality or service.

AT COLMANS WE BELIEVE QUALITY IS NOT EXPENSIVE, IT'S PRICELESS.

We believe that Fish and Chips are one of the World's greatest dishes, and here at Colmans you will find the Nation's favourite at its finest. We firmly believe that here in the North East of England we have access to some of the World's greatest Fish and Seafoods. We take great pride in sourcing only the finest local and seasonal produce. Keeping with tradition that goes back four generations and to maintain the quality we have become famous for, we still personally choose our own Fish and Seafoods from our local fish quays.

SUSTAINABILITY

All our Fish and Seafoods are from sustainable and well managed fishing grounds. Sustainability is very important to us; the ability to supply the needs of the present without compromising the needs of the future is what we believe in and are passionate about. Of course we remain fully committed to all environmental issues and you will find details are available on our website.

We hope that you enjoy your visit with us and that we see you again soon.

THANK YOU

RICHARD, FRANCES & STAFF

Our Heritage

Our first business was started in 1905 by my Great Grandparents - a small hut on South Shields foreshore. We progressed and opened a larger restaurant and takeaway on the

same site. We then opened another in Barrington Street, South Shields and in 1926 we opened Colmans on Ocean Road, where we have gradually built the business to what it is today.

HALL OF FAME!

In recent years we have been delighted to win many National and Regional awards which have gained us both a National and International following. We were honoured to be asked to provide our famous Fish and Chips for the Queen's Birthday celebrations in Guatemala and we travelled to the British Ambassador's Residence, Villa Wolkonsky in Rome to cook our famous Fish and Chips for 850 dignitaries and guests to celebrate the Queen's Birthday. Our menu has been sampled by a host of celebrity customers and Richard, Frances and the Colmans team have been judged and praised by some of the country's leading chefs. The quality, skill and hard work of our dedicated team has led to inclusions in both National and Regional food guides, including Hardens and The Good Food Guides.
